CANLEY UPDATES: Leadership Team

We started the year with a Half Day away in January to reflect on God's plans for the Fellowship and focusing on "Strengthening Connections" – the key areas were:

- Helping people in the Fellowship find their gifts and encouraging them to use them.
- Reducing pressure points.
- A "free Claire campaign" – helping Claire Martin to find more time to spend with people who come to the Cafe by providing more resource for her- Nichola is now doing more hours on a provisional basis and the shopping, to allow Claire to spend more time talking to customers and running groups.
- Social events for members – planning some of these such as Garden Parties, Picnic in the Park, Quiz nights etc.
- Helping Doug Preston in his role.
- Finding ways to involve students in the life of the Fellowship where they can.
- Continuing to review the effectiveness of the Breakfast Services.
- With John Rogers able assistance planning another Week-end Away for June 2015 – more details soon.
